OBITUARY.

Anson Kenyon.
Anson Kenyon, aged 70, died Thursday morning at the home of Clinton C. Reed, 1 Windham street. Death was due to heart disease, following a week's illness. Mr. Kenyon was by trade a harness maker and some years ago conducted a shop in this city. He was one of the older residents of the community. There survives a brother, Kila M. Kenyon of Hartford. The body was removed to the undertaking room of H. N. Egan, to be prepared for the funeral and burial.

Mrs. Agnes Dupre.
Mrs. Agnes Dupre, aged 80, died Thursday morning at the home of her daughter, Mrs. Agnes Gagne, 168 Jackson street. She was born in St. John, Canada, but had made her home in Willimantic the past twenty-seven years. Besides the daughter mentioned, there survive a granddaughter, Miss Mary Gagne, also of this city.

Assessors Putting in Hard Work.

Chairman George E. Wilcox of the board of assessors said Thursday afternoon that the board had about a week's work ahead of it yet at least. He said that the board hoped to complete its work before the first of February. Each member of the board has done a great deal of work upon the list for 1911. The town's grand list will show quite a large increase and the increase as far as can be ascertained, seems to be well distributed. Additions to the list will also assist in swelling the final grand total.

At the time of his death four years ago, he was master of Christ Episcopal church, Danville, Rhode Island. He was a devoted husband and father, and a most successful business man.

Value of Chimney Inspection.
A special warning of the value and protection accruing from the careful inspection of chimneys at this time when fires are being forced to offset the intense cold, is given by those interested in protecting the town against fires, most of which at this time of the year are caused by overheating and defective flues.

Charles Gareau Injured When Trains Crash.
Word reached Danielson Thursday that Charles Gareau, son of Mr. Alphonse Gareau, of Carter street, was one of those injured in the crash of a Canadian Pacific train between Montreal and Quebec this week. Mr. Gareau suffered a fractured hip and is now at the Notre Dame hospital in Montreal, in which city his mother happens to be visiting.

PUTNAM

Ernest M. Arnold Admits Giving Annuity Mortgage in June, 1910, When Liabilities Were \$197,267 Greater Than Assets—Locomotive Damaged at Plainfield—Accident to Joe Buckwheat's Successor.

In the superior court room here on Thursday, beginning at 10:30, before Referee in Bankruptcy Howard C. Williams, sitting as a special master, the hearing on Ernest M. Arnold's application for discharge from bankruptcy was resumed. Mr. Arnold was on the witness stand during the greater part of the day's proceedings. Judge F. P. Russell was also called to testify briefly during the day.

What was considered an interesting admission by Mr. Arnold was his statement that in June, 1910, when he gave the annuity mortgage that mortgaged all of his property against all his debts his liabilities would have been \$197,267.78 greater than his assets.

Just before 4 o'clock the hearing was adjourned until January 19 at 10:30 a. m., in Putnam.

JOE BUCKWHEAT'S SUCCESSOR

Fractured Left Arm While at Work at Webster Station.

A Webster correspondent writes: George Handlow, who took Joe Buckwheat's job at the local railroad station when Joe was transferred to Putnam, slipped at the station today and sustained a fracture of the left arm while the snow, Handlow was at work on one of his numerous jobs when the accident happened.

When Joe Buckwheat, who worked at the Webster station as a switchman, from 4 in the morning until 5 at night, seven days a week, looked for more pay, it was found that the corporation would pay more than the salary they were giving him, \$4 a week, on that job. So they transferred Joe to Putnam on a \$10 a week job.

Young Handlow succeeded Joe at the Webster station as caretaker of the switch lamps in the yard, janitor of the railroad station, messenger boy at the telegraph station, carrying mails to and from the trains and postoffice, helping out in the baggage room, and some other jobs.

The Joe mentioned in the item and now of Putnam was, because of his many, varied and ceaseless activities, recently written up in a Boston paper as the original of a series of funny pictures, entitled Nothing to Do Until Tomorrow, in a Boston paper.

BIG LOCOMOTIVE

Put Out of Business by Broken Axle While at Plainfield Yards.

Local railroad men were interested Thursday in the breaking at Plainfield of an axle of the "pony" truck under the front end of a big freight locomotive. The big engine, which was working in the Plainfield yards at the time, the break happening while it was running slowly, so there was no great damage. A wrecking crew was sent up from Midway to prepare the damaged locomotive for removal to the repair shop.

The breaking of the axle of the locomotive was a very serious matter, as it was the only one of its kind in the yard. The locomotive was being used for the delivery of mail to the station.

Getting on With City Hall.

The work of altering the old high school building for use as a municipal building, it was a majority of the town and city officers will be located, is progressing, and it will be only a short time before the building will come into use as a city hall.

The marriage, on December 30, is announced of Mrs. Treffery, who has been one of the staff of nurses at the Day Kimball hospital, and Frederick Eddy of Thompson.

Ten Inch Ice Cut.

On the pond near the foundry Thursday a gang of men was engaged in cutting ice about ten inches thick and of good quality. The prospects are for the harvesting of a full crop by all the local dealers, and there need be little fear of a shortage next summer.

At Groveland and in other nearby towns cutting began Thursday. The ice averaging about ten inches, although it was somewhat heavier on small ponds.

SURELY BREAKS THE MOST SEVERE COLD. Will Overcome All Distress from a Bad Cold or the Grippe in Just a Few Hours.

The most severe cold will be broken, and all gripe misery ended after taking a dose of Pape's Compound every two hours until three consecutive doses are taken.

You will distinctly feel all the disagreeable symptoms leaving after the very first dose.

The most miserable headache, dizziness, head and nose stuffed up, feverishness, sneezing, running of the nose, sore throat, mucous catarrhal discharges, soreness, stiffness, rheumatism pains and other distressing vagaries.

Pape's Cold Compound is the result of three years' research at a cost of more than fifty thousand dollars and contains no quinine, which we have conclusively demonstrated is not effective in the treatment of colds or gripe.

Take this harmless Compound as directed, with the knowledge that there is no other medicine made anywhere else in the world, which will cure your cold or end gripe misery as
